ONION RINGS**

KEEP IT CRISPY

When it comes to keeping your customers satisfied, crispiness is crucial. That's why we developed our crunch-preserving potato starch based coating for french fries and onion rings.

EATING IN IS OUT

Nearly 60% of customers don't plan on eating inside a restaurant again until 2021.*

HOT AND CRISPY IS KEY

Over half of consumers are not satisfied with the temperature of their takeout and delivery orders.**

CRUNCH YOU CAN COUNT ON

CrispToGo™/MC always arrives extra crispy and delicious no matter the serving container, so customers order again and again.
